

## Cute as a Bug Water Tote

Stay stylish and hydrated on walks and hikes with this adorable water bottle tote! You'll be ready to hit the trails after a few simple sewing steps and touches of Scribbles® 3D Fabric Paint.

### Instructions:

1. Pin the 11" long edge of fabric rectangle to the edge of the fabric circle. Sew pinned edges together.
2. Sew the 9" sides of rectangle together to enclose carrier.
3. Cut a strand of ribbon to desired length for strap then sew ribbon to the top edge of opening.
4. Use a chalk pencil to draw bugs on water bottle carrier as desired. Cover over designs with Scribbles® 3D Fabric Paints. Refer to photo.
5. Let dry.
