

Dressed Up Holiday Ornaments

Start with plain ornaments and add squiggles, swirls and whatever your heart desires with Tulip® dimensional paints. Personalize with names or monograms and watch your creativity light up your holiday tree!

For best results, please read all instructions before beginning project. Refer to photo for color and design placement.

1. Remove caps from ornament tops.
2. Place skewers in opening under cap.
3. Stick skewer with ornament into foam brick for easy painting.
4. Apply dimensional paints in desired design on ornaments.
5. Let dry.
6. Replace cap on ornament.
