Elf Movie-Inspired Holiday Gift Bags

This year, give everyone on your nice list a gift wrapped in paper or a gift bag that's just as awesome as the gift! This "Elf" movie-inspired gift wrap will make the countdown to opening presents a lot more fun, especially when you include silly quotes from one of pop culture's favorite Christmas characters. Christmas is just around the corner, so grab your Puffy Paint® and get crafty!

Instructions:

1. Draw desired design on bags lightly with a pencil.
2. Shake paint bottles and do a couple test squeezes onto a paper towel to remove any air bubbles.
3. With desired colors, paint over the pencil design on bags. Let dry.
